PRODUCTION

LUISA DIAZ

Actress / Host

Luisa Diaz, known in North Carolina as Luisa su voz Latina; (Luisa your latin voice) the host and producer of the first and the longest running all Spanish language TV. Program produced in a major network for 3 years. She interviewed celebrities in the latin community such as Jorge Ramos, Cristina Saralegui and her role model Oprah Winfrey among others. Through her success with her show she became a personality and a brand name.

She founded a foundation to help the unprivileged children. She collected toys for Christmas, and did Food drives for Thanksgiving. She was also the Director of Miss North Carolina Latina; her organization was dedicated to assist Latino young women to grow and evolve in making their dreams come true. Her goals were to offer opportunities to young ladies and build strong self-esteem, through her program.

Luisa is originally from Venezuela, where she grew up with her grand parents; she has won 15 beauty pageants through her life; she did theater and acted in soaps operas, sitcom, modeling and commercials.

When she came to the USA; without the knowledge of the English language she attended college and obtained a BS in Business with a concentration in Marketing; she said, it has been the greatest challenge she has ever faced. Her dreams came true when she had the opportunity to come to Hollywood, and explore new opportunities in the world of entertainment. . She is very talented and creative in front of the cameras and behind cameras. She believes what is life without exploring and taking risks; One characteristic that defines her is the ability to walk outside the box, She is bright, spontaneous with a contagious laugh and very spiritual, She feels very close to God. People who have met her cannot forget her charisma and charm.
